# User guide

## {Decisions made easy}

With over 40 styles and 70 colours, there are thousands of stunning combinations to choose from; A flavour for every taste, A design for every style, literally... A world of possibilities.

That may sound daunting, but we have designed a system to make choosing your dream room a breeze. This user guide will help explain the various icons and sections of information used throughout the brochure.

It really is as easy as **1, 2, 3.**

- 1.** Pick a style that suits your needs, a style that speaks to you; A style to call your own. (Pages 4-5)
- 2.** Express yourself with colour. With over 70 sensational finishes to choose from every taste is catered for. (Pages 6-7)
- 3.** All that's really left to do now is invite friends round, or pop on the kettle, put your feet up and enjoy. Its entirely up to you.

### Icons

All of our door styles and finishes are created with inspired passion and dynamically designed to be mixed and matched giving you unparalleled options.

Our wide range of accessories (pages 77) are no different. However some accessories have been specifically manufactured for particular rooms. The following icons appear throughout the accessories section. Here's what they mean.

-  Kitchen Accessories
-  Bedroom Accessories

# Door styles

## {PVC Doors}

Each and every one of these stunning, design led PVC door styles is available in a wide range of colours and finishes which can be seen on pages 6 & 7.

First things first... surround yourself in style.
